Spectating

As of this update (Dec 21) the school have asked us to not have parents on poolside. You can spectate through the door, we just ask for you to only spectate for 5 mins so it doesn't get too crowded.

Refunds policy

We cannot refund fees for sessions you have paid for in the course should you decide to stop. For further information on referrals or cancellation, please use the website FAQs

Cancelled Sessions

In the unlikely event we have to cancel a session, that lesson will be carried over. For example- if it was Week 8 that gets cancelled, the following Week would be Week 8. We cannot defer lessons for personal holidays etc
